

GOLD WING ROAD RIDERS ASSOCIATION ILLINOIS DISTRICT

TO: ALL CHAPTER DIRECTORS

FROM: GAIL & BILL ONKEN

SUBJECT: COUPLE OF THE YEAR

Every chapter has at least one or two couples who are always there when something needs done. Whether it is e mails sent out, phone calls made, rides to be lead or planned. Have they been recognized for their outstanding contributions to GWRRA? Let's recognize them by selecting one couple from your chapter as Couple of the Year. What better way to say thank you for their support and work for your chapter.

Being selected as chapter couple is an honor and does not require the couple to go any farther or do any more than they have been doing. Of course we would like for them to go on to the District selection but it is not a requirement and should not keep them from being honored.

Having been chosen as chapter couple and also district couple I can tell you it is a great honor and also lead the way to making many new friends not only in our state but in all the state we visited.

As District Couple of the Year Coordinators, we would like for all chapters to please select a couple and thank them for their work.

The District couple of the year will be selected at Winter Warm Up, date, time and location to be announced.

We hope to hear from you soon
