Poker Ride**

As in the past, the MAD Poker Ride provides the opportunity and excuse to mount up and ride. This year the theme is STATE PARKS and HISTORIC SITES.

The poker rides end on October 31st 2011. The poker hands will be drawn at the November Chapter Meeting and sent to me by December 15th with all checks made payable to **GWRRA-ILDistrict**. from a chapter checking acct. no cash please.

Five State Parks or Historic Sites visited will be a poker hand. Each hand will be \$5.00. There will be awards given to the top three hands. The scoring for the cards drawn will be the same as last year. After the December 15th cutoff date, each card in the deck will be given a number value drawn at random. The total of these points will be given to the hand and with the three highest totals to be declared the winners. The winners will be announced at the 2012 Winter Warm-Up. **(Pictures are optional for the individual poker hand).**

There will be a special award presented to the Member that visits the most State Parks and Historic Sites. To qualify for this award the Member Visit Sheet must be submitted, also these visits must be in a **Submitted Chapter Members Poker Hand**. Also, if the Member is competing for the most visited, take a picture of the visit and include this in your entry. Multiple pictures can be on one sheet of paper.
